Subject: what processes are needed.
Posted by lcslouis on Tue, 30 Oct 2007 11:01:51 GMT
View Forum Message <> Reply to Message

hello i want to remove some software on my FC4 box. i want to know what is needed and what isn't. after i get this config tuned i will post a wiki up for other people to use. i'll post what i have currently installed and just list what should be removed /disbaled.
