FAQ:

Q: Do you oversell our Resources?

A: We Never oversell our server resources, so that mean, if you buy our vps hosting, you will be able to use all of your web space, Bandwidth etc.

Q: Do you allow IRC?

A: Yes

Q: Do you allow any adult content?

A: Yes, but it must be legal.

Q: If I have a problem with control panel, e.g. setup a mysql, ftp etc, what can I do?

A: We are always here, please don't be shy to contact us.

Q: How long does it take for my vps setup?

A: It usually takes few minutes to setup, if you wait for up to an hour, but the vps still not setup, please contact us.

Q: I would like to apply the free trial account , what can I do?

A: Simple to email us or find us on the front page (web chat)

Q: May I have more detail of free trial account ?

A: Free trial account goes with one Dedicated IP, and 3 days for free, after 3 days, if you would like to join us, we won't delete your vps account.

Q: How many servers have ECVPS got at this moment?

A: We got Four servers at this moment, two are using softlayer (Dallas), Two with using FDCserver (Chicago), but two of the Dallas's server are using Xeon + 8GB ram, only the Chicago not. So we strongly recommend our customers to use Dallas server. By the default, all customers will be use Dallas.
