Committed in 022stab053

Patch from Denis (den@) and Pavel (xemul@):
When ip_rt_src_check is off we still can try
to route multicast/broadcast packets.
Bug #55476

```
--- ./net/ipv4/route.c.ipr 2005-12-08 12:33:07.000000000 +0300
