Subject: *SOLVED* ETH Device problem in VPS
Posted by xwinner on Thu, 15 Feb 2007 17:11:23 GMT

Hi,

ETH0 is ok on nodes serveur but not on venot0

message on NODE boot:
Eth0 OK
sit0 OK
e1000 device venet0 does not seem to be present
e1000 device veth101.0 does not seem to be present

I use the Mandriva minimum in VPS and Mandriva CS4 for node server

Can someboby help me ?

Thanks

André
