---

sorry:

```
s15245010:~# lspci | grep Ether
```

```
0000:00:14.0 Ethernet controller: nVidia Corporation: Unknown device 0268 (rev a3)
```

```
s15245010:~# dmesg | grep eth0
```

```
eth0: forcedeth.c: subsystem: 01734:10c6 bound to 0000:00:14.0
```
