Subject: Re: FC6 Precreated VE and ssh Posted by morik on Wed, 23 May 2007 14:30:28 GMT View Forum Message <> Reply to Message

hm..

It is very strange, looks like all ok, could you please upgrade openssh-server on your VE, if it is last version, then downgrade it on previous version

I will thinking about it problem and keep you updated. Now I go home.

OpenVZ Forum

Thank you for assistance.
