Subject: Re: Kernel panic on VE restart Posted by Vasily Tarasov on Fri, 25 May 2007 11:00:25 GMT View Forum Message <> Reply to Message

Oh, sorry, I thought you're using 2.6.9 Series. In 2.6.18 it's fixed since 2.6.18-028stab032. You can compile kernel from git or wait till next release.

Thank you, Vasily.
