
Subject: [DEVEL] [PATCH 2.6.18] Fix syslog() issues in LTP

Posted by [gblond](#) on Fri, 01 Jun 2007 09:47:21 GMT

[View Forum Message](#) <> [Reply to Message](#)

Patch from Vitaliy Gusev <vgusev@openvz.org>

Fix syslog issues for LTP testcase. Problem was that LTP test calls syslog(2) with wrong arguments and waiting for a error but syslog() returns zero.

Fixes: http://bugzilla.openvz.org/show_bug.cgi?id=584
