Hello,

It seems that quota is not getting creating for the vps.

```
-----  
root@server [~]# ll /proc/vz/vzaquota/  
total 0  
dr-x----- 2 root root 0 Jun 20 11:39 ./  
dr-xr-xr-x  3 root root 0 Jun 20 11:39 ../  
-----
```

Please help

---
