
Subject: + fix-some-coding-style-errors-in-autofs.patch added to -mm tree
Posted by [akpm](#) on Thu, 15 Mar 2007 19:54:51 GMT
[View Forum Message](#) <> [Reply to Message](#)

The patch titled
 Fix some coding-style errors in autofs
has been added to the -mm tree. Its filename is
 fix-some-coding-style-errors-in-autofs.patch

*** Remember to use Documentation/SubmitChecklist when testing your code ***

See <http://www.zip.com.au/~akpm/linux/patches/stuff/added-to-mm.txt> to find
out what to do about this

Subject: Fix some coding-style errors in autofs
From: Sukadev Bhattiprolu <sukadev@us.ibm.com>

Fix coding style errors (extra spaces, long lines) in autofs and autofs4 files
being modified for container/pidspace issues.
