
Subject: [patch 40/68] statically initialize struct pid for swapper
Posted by [akpm](#) on Fri, 11 May 2007 05:23:00 GMT
[View Forum Message](#) <> [Reply to Message](#)

From: Sukadev Bhattiprolu <sukadev@us.ibm.com>

Statically initialize a struct pid for the swapper process (pid_t == 0) and attach it to init_task. This is needed so task_pid(), task_pgrp() and task_session() interfaces work on the swapper process also.
