The patch titled

Use task_pgrp() task_session() in copy_process()
has been removed from the -mm tree. Its filename was
use-task_pgrp-task_session-in-copy_process.patch

This patch was dropped because it was merged into mainline or a subsystem tree

Subject: Use task_pgrp() task_session() in copy_process()

From: Sukadev Bhattiprolu <sukadev@us.ibm.com>

Use task_pgrp() and task_session() in copy_process(), and avoid find_pid() call when attaching the task to its process group and session.
