
Subject: [-mm PATCH 7/7] Memory controller OOM handling
Posted by [Balbir Singh](#) on Wed, 04 Jul 2007 22:22:53 GMT
[View Forum Message](#) <> [Reply to Message](#)

Out of memory handling for containers over their limit. A task from the container over limit is chosen using the existing OOM logic and killed.

TODO:

1. As discussed in the OLS BOF session, consider implementing a user space policy for OOM handling.
