Still waiting to hear whether anyone other than yourself, Eric, and Paul would be there... If not, I assume you could meet in one of your hotel rooms and dial into the phone meeting? :)

Hmm, so in front of the current 'roadmap' you'd like to see a list of what's been accomplished so far?

I suppose that might be a good way of showing the community that this is all work in progress and going along nicely, not brand-new development. Pavel, do you mind writing that up?

Eric, do you mind at the mini-summit (or mini-summit phone call) going over what you were going to present at the kernel summit?

thanks, -serge
