Subject: Re: forcedeth problems with 2.6.18-028stab045.1
Posted by wilf on Wed, 17 Oct 2007 19:53:00 GMT

I have 2.6.18-028stab045.1 working with an old Realtek 8139, so I have a temporary fix.
Forcedeth will have to wait until either the driver is backported or the 2.6.22 OpenVZ goes gold.

Best Regards, Paul.
