I am trying to install you software but when i try to install vzpkg-2.7.0-17.noarch.rpm it does not work. it says it need vzyum can some please tell me where to get this rpm package from or can they send it me.

Cheers
Lee

I have the same error
  warning: vzpkg-2.7.0-18.noarch.rpm: V3 DSA signature: NOKEY, key ID a7a1d4b6
error: Failed dependencies:
     vzyum >= 2.4.0-5 is needed by vzpkg-2.7.0-18
but I can't find the vzyum 2.4.0-5 the only one on the site is
vzyum-2.4.0-11
