Thanks for your reply!

I'm using the following kernel on a fedora-core6 machine:

2.6.18-8.1.15.el5.028stab047.1 #1 SMP Tue Oct 23 15:25:33 MSD 2007 i686 i686 i386
GNU/Linux.

I will have a look at your recommended link.

Regards

Norman
