Subject: Re: Can not suspend VE with nfs mounts - even with bind mounts to HN
Posted by Andrey Mirkin on Wed, 26 Dec 2007 09:54:05 GMT

Hello,

I have suggested this patch just like a quick hack.
I will try to find better sollution, which can be included in official openvz kernel.

We plan to implement native NFS support in online migration, but right now I can't tell when it will
be implemented.
