Subject: [PATCH] [IPV6]: dst\_entry leak in ip4ip6\_err.

Posted by [den](#) on Fri, 08 Feb 2008 17:00:53 GMT

[View Forum Message](#) <> [Reply to Message](#)

---

The result of the ip\_route\_output is not assigned to skb. This means that

- it is leaked
- possible OOPS below dereferrencing skb->dst
- no ICMP message for this case
