Subject: Re: Problem on Disk Quota 100% used and df
Posted by dev on Sun, 23 Oct 2005 09:05:20 GMT

No, it's a bug in simfs/quota. Thanks for reporting.
I created a bug in bugzilla, so you can add yourself to CC and track it's state:
http://bugzilla.openvz.org/show_bug.cgi?id=59

we'll be fixed in next kernel build.
