Dear OpenVZ users and developer

WebVZ: A web management tool for openvz is released and available for download from
<http://webvz.sourceforge.net/index.html>

Please try it and report to me any suggestion, bug, comment or contribution.

Notice: you need Ruby on Rails to be installed on your machine in order to run it

screenshots are available here
<http://webvz.sourceforge.net/screenshots.html>

Best Regards
Shuaib Zahda
