Subject: Re: IPtables on Centos 4.2 (host system) Posted by kenchua on Sun, 23 Apr 2006 11:34:31 GMT View Forum Message <> Reply to Message

hi Dim,

thanks for your kind suggestion and it worked

I have another queston. In the VPS, I tried to use lokkit to configure the IPtables and when I restarted IPtables, it reported errors.

OpenVZ Forum

Do you have a sample IPtables ruleset for VPS?

Best regards Ken
