Subject: Re: OpenVPN template or help needed
Posted by sammy08 on Fri, 04 Apr 2008 11:46:01 GMT

Hi Maratrus,

Thanks for the link but I have been through that already. The problem is that How to is not very detailed. For example step 3 is not very clear.

I am surprise that nobody has created a template for OpenVPN as yet.

regards,

Errol
