maratrus wrote on Mon, 21 April 2008 15:48Hello,

Sorry for delay.
that's ok

maratrus wrote on Mon, 21 April 2008 15:481.
Could you possibly specify how did you exactly configure network inside VE and on HN? You can
show us the exact commands if it is convenient for you.

2.
How do you mount content via NFS?
Something like that? http://wiki.openvz.org/NFS

see in attachement for all details about networks and nfs configuration

I can do all tests needed

Thanks for your help

Yoann
