Subject: Re: kernel panic with megaraid_sas-v00.00.03.16-1 patch
Posted by vaverin on Mon, 19 May 2008 06:01:37 GMT

ok, thank you for explanation.

I expect the new driver was re-compiled incorrectly. Could you please show me the logs of this procedure?

The kernel crash messages are interesting for me too.

thank you,
Vasily Averin
