Subject: OpenVZ & RAID
Posted by nt1303 on Sun, 25 May 2008 13:33:04 GMT

Hello all,

I have mainboard Intel Server S5000VSA and installed Centos OS 5.1 work with driver on intel website. But it can not work on OpenVZ Kernel , error: kernel panic ...

Can you help fix it work with OpenVZ kernel ??

Raid: Intel® Embedded Server RAID Technology II

Thank You,
Ngoc Thang
