Generating SSH1 RSA host key [failed]

vzctl create 137 --ostemplate fedora-core-4-i386-minimal
vzctl set 137 --onboot yes --save
vzctl set 137 --hostname azeri.host --save
vzctl set 137 --ipadd 69.41.**.** --save
vzctl set 137 --nameserver 69.41.160.8 --save
vzctl set 137 --userpasswd root:*******
vzctl start 137

UPD:

vzctl create 137 --ostemplate fedora-core-4-i386-minimal
vzctl set 137 --ipadd 69.41.**.** --save
vzctl start 137
