Quote:OK regarding to gfs, what but about gfs2? are you aware of device files problems?
Yes, we aware of it, we read forum.
The workaround is here:
 http://forum.openvz.org/index.php?t=msg&goto=31055&& amp;srch=gfs2#msg_31055

Quote:Can that be solved in OpenVz point of view?
We do not recommend to use gfs2 as we found it unstable.
Surely the problem will be fixed some day, but i think it makes sense only after gfs2 become
stable.
