thank u for replay arabvps,

that problem with them now from more than 4 month !! did u can help with that ? yes i payed them with paypal but as i told u it from more than 4 month and when i ask them they say wait billing dep. and move my ticket to the billing dep. and am waiting but without any answer from any one there ..

thank u again for try to help but if u really can help on that situation plz pm me ..

Best Regards
