I solved the problem of missing charts.

rrdtool version must be 1.0.49 in order to see the charts.
higher version won't work.

error with version higher then 1.0.49:

Notice: Undefined offset: 1 in /var/www/html/bandwidth.php on line 368
Notice: Undefined index: 2006 in /var/www/html/bandwidth.php on line 421

Link to rpm package for rhel4/centos4 users
