Subject: Re: Missing CPU Cores
Posted by maratrus on Wed, 25 Feb 2009 07:49:23 GMT

Hello,

Quote:

[root@server ~]# cat /proc/cpuinfo

where did you get this output from? Did you get if from HN or from inside the VE?
(check --cpus parameter of vzctl utility)

Could you please check that 2.6.18-92.1.18.el5 kernel works normally? (OpenVZ kernel is based
on this RHEL kernel)
