Subject: VE keeps disconnecting Posted by simeshev on Wed, 25 Mar 2009 04:19:12 GMT View Forum Message <> Reply to Message

Hi All,

We have a VE that disconnects for no apparent reason. Sometimes it's daily, sometimes it is every other day or two. The VE cannot be pinged but

vzctl enter <number>

works OK.

Any ideas how to approach this problem?

Slava
