Hello.

I need restore a backup create with virtuoizzo utility vzbackup.

This utility split files onto small files < 2GB.

100-xxxx.tar
100-xxxx.tar.v001
...
100-xxx.tar.v009

if try to:
vzdump --restore 100-xxx.tar 200

Fails.

I'm try to cat files, but fails also.

Any solution?

Thanks
