Hi,

please excuse my being so vague.

I mean to set an explicit routes, something similar to what was suggested in previous thread

Quote:

(inside VE)

```
# ip r add 10.0.0.0/24 dev venet0 src 10.0.0.155
# ip r add 77.178.25.0/24 dev venet0 src 77.178.25.145
```
