Paparaciz wrote on Thu, 27 August 2009 14:52in HW node add iptables rule smth like:
iptables -A POSTROUTING -s 1.2.3.5 -d 10.1.1.0/255.255.255.0 -j SNAT --to-source 10.1.1.1

Unfortunately I don't have a POSTROUTING chain

iptables --list

Chain INPUT (policy ACCEPT)
target prot opt source destination

Chain FORWARD (policy ACCEPT)
target prot opt source destination

Chain OUTPUT (policy ACCEPT)
target prot opt source destination
