Hello Alexander,

I'm afraid it's rather difficult to find out the reason without being able to experiment with your VE.  
Your problem reminds me the similar one. Please, read the following thread  
[http://forum.openvz.org/index.php?t=msg&goto=28942&&srch=kill#msg\\_28942](http://forum.openvz.org/index.php?t=msg&goto=28942&&srch=kill#msg_28942)

It may be helpful in your case.

P.S. Could you somehow provide us with the template?
