Subject: Aptitude FATAL -> Failed to fork.
Posted by AmokPaule on Wed, 11 Nov 2009 14:52:26 GMT

Hello,

i have a debian lenny guest on a lenny host.

When i type aptitude update install or something i get FATAL -> Failed to fork.

When i start just aptitude i get that message. Uncaught exception: Not enough resources to create thread.

apt-get seems to work.
