1)

I've created one too http://github.com/sunoano/bash/blob/master/packet_filter

I also wrote some docu how to use it

http://sunoano.name/ws/public_xhtml/firewall.html#sunos_rule_set_and_how_it_is_applied

2)

I also have another script called vzbulk <http://github.com/sunoano/bash/blob/master/vzbulk> This one has nothing to do with firewalling but might be useful; docu is inside the script at the top.
