```
vzctl create 1021 --ostemplate centos-5-i386-minimal
Creating VE private area (centos-5-i386-minimal)
Performing postcreate actions
VE private area was created
```

```
vzctl set 1021 --ipadd *.*.*.* --hostname srch-centos5 --save
Adding IP address(es): *.*.*.*
SIOCADDRT: No such process
```
