Hi,

please post: /etc/hosts of your ct:

```
# vzctl exec <CTID> 'cat /etc/hosts'
```

and how are update your ct, via vzctl enter <CTID>; then apt-get update ...

or via vzctl exec <CTID> ...

have you restart the ct, and this error occurs again ?

```
# vzctl --verbose restart <CTID>
```

Bye,

Thorsten
