Hello,

I installed that patch but i still get errors

```
root@St0rm:/usr/src# mkinitramfs -k linux-headers-2.6.32-5-common-opensvz -o
/boot/initrd.img-2.6.32-5-common-opensvz
Cannot find /lib/modules/linux-headers-2.6.32-5-common-opensvz
root@St0rm:/usr/src# mkinitramfs -k 2.6.32-5-common-opensvz -o
/boot/initrd.img-2.6.32-5-common-opensvz
Cannot find /lib/modules/2.6.32-5-common-opensvz
root@St0rm:/usr/src#
```

i am sorry i am a newbie & i need things to be explained more :/
