
Subject: [PATCH v2 3/7] SUNRPC: send notification events on pipefs sb creation and destruction

Posted by [Stanislav Kinsbursky](#) on Tue, 08 Nov 2011 11:16:13 GMT

[View Forum Message](#) <> [Reply to Message](#)

They will be used to notify subscribers about pipefs superblock creation and destruction.

Subscribers will have to create their dentries on passed superblock on mount event and destroy otherwise.
