Subject: Re: [PATCH] struct file leakage Posted by Alexey Kuznetsov on Mon, 10 Jul 2006 10:16:14 GMT View Forum Message <> Reply to Message

Hello!

> I don't understand this. Are you implying that there are other bugs.

Yes. I still see leakage of another objects, most likely fdtables. Probably, it is an internal bleeding of openvz or it was already fixed in mainstreem. I still do not know.

Alexey
