
Subject: [PATCH 0/3] SUNPRC: redundant XPT_CHNGBUF set removed
Posted by [Stanislav Kinsbursky](#) on Fri, 23 Dec 2011 14:55:06 GMT
[View Forum Message](#) <> [Reply to Message](#)

This is a cleanup path set

The following series consists of:

Stanislav Kinsbursky (3):

SUNPRC: remove marking service temporary sockets with XPT_CHNGBUF

Lockd: don't mark freshly created sockets with XPT_CHNGBUF

NFS: don't mark freshly created callback sockets with XPT_CHNGBUF
