Subject: Re: [PATCH v2 0/6] SUNPRC: cleanup PipeFS for network-namespace-aware users
Posted by Stanislav Kinsbursky on Mon, 26 Dec 2011 11:50:35 GMT

Hello, Trond.
This patch set depend on
"SUNRPC: initial part of making pipefs work in net ns"
and
"SUNRPC: remove non-exclusive pipe creation from RPC pipefs"

I'm not sure about did you applied them already or not, so I've rebased and resent them too.
