Guys

(1) This is a subject of bug #2143:
http://bugzilla.openvz.org/show_bug.cgi?id=2143

(2) Currently it is unclear if this is a bug or not.

(3) If you want to help investigate/resolve this one, please try to reproduce as asked in bug's comment #22 (http://bugzilla.openvz.org/show_bug.cgi?id=2143#c22) and report your results to that bug report (not here).

Thanks.
