vpmlinkdotcom wrote on Sun, 28 May 2006 13:09OpenVz Community,

We're proud to announce Spry's newest brand has launched, with OpenVZ as our backend. Please check us out at <http://www.vpslink.com/> For a limited time we'll be offering OpenVZ accounts for less than \$50 yearly.

We're very excited to have OpenVZ as our backend, and look forward to the continued success of the platform.

Cameron Jones

Hi, can You give to community your nice control panel?
