## Subject: Re: DRBD?
Posted by wfischer on Sun, 30 Jul 2006 18:21:33 GMT

I have documented the first part of how to use DRBD with OpenVZ in
http://wiki.openvz.org/HA_cluster_with_DRBD_and_Heartbeat

The info on setting up Heartbeat and how to do updates (especially how to do OpenVZ kernel updates that contain a new version of DRBD, which is a little tricky) will follow soon.

best regards,
Werner
