Subject: [PATCH 07/12] fuse: add per-page descriptor &lt;offset, length&gt; to fuse\_req

Posted by [Maxim Patlasov](#) on Fri, 26 Oct 2012 15:49:24 GMT

[View Forum Message](#) <> [Reply to Message](#)

---

The ability to save page pointers along with lengths and offsets in fuse\_req will be useful to cover several iovec-s with a single fuse\_req.

Per-request page\_offset is removed because anybody who need it can use req->page\_descs[0].offset instead.

Signed-off-by: Maxim Patlasov <mpatlasov@parallels.com>
