Subject: Re: Network Issues with newer
Posted by cptreptile on Sun, 27 Oct 2013 01:22:43 GMT

I have simillar issue, and i think this is becouse our kernels are 2.6.18 while debian 7 fedora 17/18
need really higher kernel (somewhere in furoms i read this)
BUT myself trying to figure out a fix for this..

meanwhile i have a added my incident to bugzilla:
bugzilla.openvz.org/show_bug.cgi?id=2712
